

Module 5 – Cultural Heritage and Performing Arts (Edushine Classes)

✳ *Different Types of Architecture in Very Easy Words*

1. Cave Architecture

- ❓ **Made by cutting big rocks or mountains**
- ❓ People used them to **pray, live, or meditate**
- ❓ **Example** – Ajanta and Ellora caves

✓ **Think like this:** A temple inside a mountain!

2. Stupa

- ❓ **Round-shaped building**
- ❓ Built to **keep Buddha's ashes or memories**
- ❓ People **walk around it to show respect**
- ❓ **Example** – Sanchi Stupa

✓ **Think like this:** A big round memory place of Buddha!

3. Pillar

- ❓ **Tall standing stone**
- ❓ Kings used it to **write messages or rules**
- ❓ Some have **animals on top** like lion
- ❓ **Example** – Ashoka Pillar

✓ **Think like this:** Stone that tells a message!

4. Temple

- ❓ **House of God**
- ❓ People go there to **pray**
- ❓ Made with **beautiful designs**

? Different styles in **North and South India**

? **Examples** – Meenakshi Temple, Khajuraho Temple

✓ **Think like this:** Place where we pray to God!

5. Indo-Islamic Architecture

? **Mix of Indian and Muslim style**

? Looks different: has **domes, arches, towers**

? No pictures or statues inside

? **Examples** – Taj Mahal, Qutub Minar

✓ **Think like this:** Mix style buildings with round tops!

🔗 *Super Easy Trick to Remember*

Cave – Temple inside mountain

Stupa – Round memory home of Buddha

Pillar – Stone message tower

Temple – House of God

Indo-Islamic – Round top buildings (like Taj Mahal)

🔗 *Major Cave Architecture in India (Very Easy Words)*

1. Ajanta Caves (Maharashtra)

? Made by **Buddhist monks**

? Have **paintings and statues of Buddha**

? Used for **worship and study**

✓ **Think:** “Buddha’s art in mountain!”

2. Ellora Caves (Maharashtra)

- 📌 **Hindu, Buddhist, and Jain** caves
- 📌 Most famous is **Kailash Temple** (made from one big rock!)
- 📌 Shows **unity of religions**

✓ **Think:** “Three religions in one place!”

3. Elephanta Caves (Maharashtra, near Mumbai)

- 📌 Made for **Lord Shiva**
- 📌 Famous for big **Shiva statue with 3 faces** (Trimurti)

✓ **Think:** “Shiva’s mountain home!”

4. Badami Caves (Karnataka)

- 📌 **Hindu and Jain** caves
- 📌 Beautiful **carvings on walls**

✓ **Think:** “Art on mountain walls!”

5. Udayagiri Caves (Madhya Pradesh)

- 📌 Made during **Gupta period**
- 📌 Have **Lord Vishnu statue** (as Varaha – boar form)

✓ **Think:** “Vishnu’s ancient cave!”

6. Karle and Bhaja Caves (Maharashtra)

- 📌 **Very old Buddhist** caves
- 📌 Have **prayer halls and carvings**

✓ **Think:** “Oldest Buddhist prayer spots!”

📖 *Basic Features of Indian Temples (Very Easy Points)*

1. Garbhagriha (Sanctum)

- The **main room** inside the temple
 - Where the **idol of God** is kept
 - ✓ Think: "God's private room"
-

2. Shikhara / Vimana

- The **top tower** above the sanctum
 - It shows **power and beauty** of the temple
 - ✓ Think: "Crown of the temple"
-

3. Mandapa

- A **hall** where people sit or pray
 - Used for **gathering and singing bhajans**
 - ✓ Think: "Temple's sitting room"
-

4. Entrance Gate

- Big, beautiful **door** with designs
 - Some temples have **tall gate towers** (called Gopuram in South India)
 - ✓ Think: "Grand welcome gate"
-

5. Pradakshina Path

- A **path to walk around** the sanctum
 - People walk in a **circle** to show respect
 - ✓ Think: "Walking round God's room"
-

6. Carvings and Sculptures

- Temples are decorated with **statues and stories**
 - Show **gods, animals, dancers, stories from Ramayan or Mahabharat**
- ✓ Think: “Stone storybook”

7. Water Tank or Pond

- Many temples have a **small pond** nearby
 - Used to **wash hands and feet** before prayer
- ✓ Think: “Holy bath spot”

👉 *Super Easy Trick to Remember*

G – S – M – E – P – C – W

🔍 Line: "**Great Saints Make Every Prayer Count Well**"

- **G** – Garbhagriha
- **S** – Shikhara
- **M** – Mandapa
- **E** – Entrance
- **P** – Pradakshina path
- **C** – Carvings
- **W** – Water tank

🔍 **1. Sculptures (Murti Kala)**

👉 **What it is:**

Statues made of **stone, metal, or clay**.

👉 **Why:**

To show **Gods, animals, kings, dancers, or important stories**.

👉 **Where:**

Found in **temples, caves, and walls**.

☞ **Example:**

- **Nataraja** – Statue of Lord Shiva as a dancer
- **Buddha statues** – Calm face and hands showing peace

✓ **Think:** “Stone tells story!”

🔍 2. Seals

☞ **What it is:**

Small stamp-like objects made of stone or clay.

☞ **Why:**

Used for **marking goods, business trade, or identity.**

☞ **Looks like:**

They have **pictures of animals** (like bulls, elephants) and **unknown script** (like in Harappan seals).

☞ **Example:**

- **Pashupati seal** – A figure sitting like Lord Shiva with animals

✓ **Think:** “Ancient stamps!”

🔍 3. Coins

☞ **What it is:**

Old money made of **gold, silver, copper, or bronze.**

☞ **Why:**

Used for **buying and selling**, and also **to show power** of kings.

☞ **Looks like:**

They had **pictures of kings, symbols, and languages** of that time.

☞ **Example:**

- **Gupta coins** – Show kings and Goddess Lakshmi
- **Mauryan punch-marked coins** – Have symbols stamped

✓ **Think:** “Old gold with king’s face!”

4. Pottery

👉 **What it is:**

Clay pots, bowls, and jars made by hand or wheel.

👉 **Why:**

Used for **cooking, storing water/food**, and decoration.

👉 **Types:**

- **Black and Red Pottery** – Harappan
- **Painted Grey Ware** – Later Vedic
- **Northern Black Polished Ware** – Very shiny, used by rich

👉 **Designs:**

Simple or **painted with lines, dots, flowers**.

✓ **Think:** “Clay art used every day!”

What is Puppetry?

👉 Puppetry means telling a story by using **puppets** — small dolls or figures that are moved by hand, string, stick, or wire.

👉 **Puppets act like actors** but are controlled by people from behind a screen or stage.

✓ **Think:** “Talking dolls on stage”

IN Puppetry in India

- **Very old art form** in India

- Used to tell stories from **Ramayana, Mahabharata, and folk tales**
 - Mix of **music, dance, and storytelling**
-

📖 *Types of Puppetry in India (Very Easy)*

1. String Puppets (Sutradhar)

📖 **Puppets moved using strings from above**

- Light and easy to move
- Can show dance and emotions

👤 Famous:

- **Kathputli** – Rajasthan
- **Kundhei** – Odisha

✓ Think: “Puppet dancing with strings”

2. Shadow Puppets (Chhaya Putli)

♥ **Flat puppets shown behind a white screen with light**

- Viewers see the **shadow** of puppets
- Stories told in **music and sound**

👤 Famous:

- **Tholu Bommalata** – Andhra Pradesh
- **Togalu Gombeyaata** – Karnataka

✓ Think: “Puppet behind curtain, shadow on screen”

3. Rod Puppets

📖 **Puppets fixed on rods/sticks from below**

- Bigger than string puppets
- Moved from **below the stage**

🎭 Famous:

- **Putul Nach** – West Bengal

✓ Think: “Puppet on a stick”

4. Glove Puppets (Hand Puppets)

🖐️ □ **Puppet worn on hand like a glove**

- The puppeteer uses **fingers to move head and arms**
- Very simple and funny acts

🎭 Famous:

- **Gulabo-Sitabo** – Uttar Pradesh
- **Pavakoothu** – Kerala

✓ Think: “Puppet is your glove!”

💃 **What is Dance?(V.VIMP)**

👉 Dance is a way of **expressing feelings and stories** through **movements of the body**, face, hands, and feet.

👉 In India, dance is not just fun — it's also a **part of culture, tradition, and devotion** (bhakti).

🕉️ □ **Classical Dance (शास्त्रीय नृत्य)**

👉 Classical dances are **traditional, serious dances** that follow **rules from old books** like **Natya Shastra**.

👉 These dances tell stories of **Gods, epics like Ramayana, Mahabharata**, and show **mudras (hand signs)** and facial expressions.

☞ They are **performed on stage** with **music, costume, and training**.

✓ Main Classical Dances of India:

Dance Name	From Which State
Bharatanatyam	Tamil Nadu
Kathak	Uttar Pradesh
Kathakali	Kerala
Mohiniyattam	Kerala
Kuchipudi	Andhra Pradesh
Odissi	Odisha
Manipuri	Manipur
Sattriya	Assam

✦ **Trick to remember** classical dances:

"Be Kind Kings, My Kingdom Offers Many Sweets"

(Bharatanatyam, Kathak, Kathakali, Mohiniyattam, Kuchipudi, Odissi, Manipuri, Sattriya)

📌 **Folk Dance (लोक नृत्य)**

☞ Folk dance is the **traditional dance of the common people** of a region.

☞ It is done during **festivals, weddings, harvest, and fairs**.

☞ These dances are **full of energy, joy, and fun**. They don't follow strict rules — just **celebration and expression**.

✓ Famous Folk Dances of India:

Dance Name	From Which State
Bhangra	Punjab
Giddha	Punjab (by women)
Garba	Gujarat
Dandiya	Gujarat
Lavani	Maharashtra

Dance Name	From Which State
Ghoomar	Rajasthan
Bihu	Assam
Chhau	Odisha, Jharkhand, WB

🎯 *Difference Between Classical and Folk Dance*

Feature	Classical Dance ॐ □	Folk Dance ㊦
Based on	Ancient texts (rules)	Local tradition
Purpose	Devotional, artistic	Celebration, fun
Performed at	Stage, festivals	Villages, fairs
Training needed?	Yes	No
Example	Bharatanatyam, Kathak Bhangra, Garba	

🎪 *What are Fairs and Festivals?*

- **Festivals** are special days of **celebration**, often linked to **religion, seasons, or culture**.
- **Fairs** are large gatherings of people where there are **shops, food stalls, games, and cultural activities**.

✓ Festivals = Celebration days

✓ Fairs = Mela (जैसे गाँव की मेलाएं)

㊦ *Major Religious Festivals of India (Very Easy Table)*

Festival Name	Religion	What is Celebrated?
Diwali	Hindu	Festival of Lights, return of Lord Ram to Ayodhya
Holi	Hindu	Festival of Colours, victory of good over evil
Dussehra	Hindu	Lord Ram's victory over Ravan
Eid	Muslim	End of Ramzan (Eid-ul-Fitr), or sacrifice (Eid-ul-Adha)

Festival Name	Religion	What is Celebrated?
Christmas	Christian	Birth of Jesus Christ
Guru Nanak Jayanti	Sikh	Birth of Guru Nanak Dev Ji
Mahavir Jayanti	Jain	Birth of Lord Mahavir
Buddha Purnima	Buddhist	Birth of Lord Buddha

🧐 **Trick to remember:**

🕒 **“Diya, Holi, Ram, Eid, Christ, Guru, Mahavir, Buddha”**

🏰 **Important Fairs (Melas) of India**

Fair Name	Where?	Importance
Kumbh Mela	Prayagraj, Haridwar, Nashik, Ujjain	Largest religious gathering in the world
Pushkar Mela	Rajasthan	Famous for camel trade and Rajasthan culture
Surajkund Mela	Haryana	Craft fair showing arts from all states
Sonepur Mela	Bihar	Asia's largest cattle fair
Hemis Festival	Ladakh	Tibetan culture and dance fair
Goa Carnival	Goa	Colourful parades, music, and dance

🌟 **Why Are Fairs and Festivals Important?**

- Keep our **culture alive**
- Bring people **together with joy**
- Help local **artisans and sellers**
- Teach us **values and traditions**
- Attract **tourists** and boost economy

Evolution of Indian Cinema (Cinema ka Safar – Simple Story)(V.ViMP)

Indian cinema started like a small seed and slowly became a big tree. It grew from **silent films** to **talking movies**, **color**, and now **digital and OTT platforms**.

1. Silent Era (1913–1930)

👉 No sound, only visuals.

👉 People saw emotions, actions, and text on screen (like mime acting).

✓ **First Indian film** – *Raja Harishchandra* (1913) by **Dadasaheb Phalke**.

👤 He is called "**Father of Indian Cinema**".

2. Talkie Era (1931 onwards)

👉 Movies started having **sound and dialogues**.

✓ First talking movie: *Alam Ara* (1931).

🎵 Songs became popular in Indian cinema from this time.

3. Black & White to Colour (1950s–70s)

👉 Early films were black & white.

✓ Later, color films came – *Mughal-e-Azam* (partially color, 1960), *Kisan Kanya* (first color film, 1937).

 Films showed **freedom struggle**, **social issues**, **mythological stories**, and **romance**.

4. Golden Era (1950s–70s)

✓ Famous actors: Raj Kapoor, Dilip Kumar, Dev Anand

✓ Great directors: Satyajit Ray, Guru Dutt

 Important films: *Mother India*, *Pyasa*, *Sholay*

 This era focused on **emotions, values, and strong stories**.

5. Commercial Cinema (1980s–90s)

 Focus on **masala movies** – action, romance, songs, dance.

 Stars like **Amitabh Bachchan, Dharmendra, Mithun, and later SRK, Salman, Aamir** became popular.

 Music and dance became very important.

6. Modern & Digital Cinema (2000s–Now)

✓ More realistic stories, strong acting, new topics.

✓ Use of **technology, VFX, graphics**

 New platforms: Netflix, Amazon, Hotstar (OTT Platforms)

✓ Pan-India movies like *Baahubali*, *RRR*, *Kantara* became hits.

Indian Cinema Today

- India makes **most number of films** in the world.
 - Movies are made in **many languages**: Hindi, Tamil, Telugu, Kannada, Bengali, Malayalam, etc.
 - It's not just Bollywood – it's a **giant industry** now!
-

Quick Revision Points:

1.  **1913** – First silent movie (*Raja Harishchandra*)
2.   **1931** – First talking movie (*Alam Ara*)
3.  Black & White to Color
4.  Golden era of strong stories
5.  Masala + action cinema (1980s–90s)
6.  Modern realistic + OTT platform
